### Toda la información en tu mano

#### Evolución de tu factura

Media diaria de importe de factura 40,0210 €  
 Número de líneas 91

A partir del próximo 18 de Julio de 2022, las tarifas ilimitadas dejarán de tener uso de datos ilimitados en roaming Z1 y EEUU. Cada tarifa tendrá incluido un número determinado de GB. Este número de GB será el doble de la cantidad que resulta de dividir el importe de la cuota de la tarifa, sin aplicar descuentos y sin IVA, entre el precio mayorista regulado, que actualmente es 2€/GB. Por ejemplo, si la cuota de la tarifa es de 30€/mes, el número de GB incluidos en roaming Zona 1 y EEUU será: 2\*(30/2)=30GB. Una vez superado el número de GB que te corresponden, el exceso será tarificado al precio mayorista regulado (actualmente 2€/GB).

# Observatorio Vodafone de la Empresa

El Observatorio Vodafone de la Empresa recoge los retos y las soluciones que empresarios y expertos vislumbran en plena revolución digital. [vodafone.es/observatorio](http://vodafone.es/observatorio)

- **¿Cómo adaptarse al mundo digital en el que nos ha tocado vivir?**

Profesionales, pequeñas y medianas empresas, grandes corporaciones y Administraciones Públicas, todos estos segmentos viven ya en un entorno donde lo único constante es el cambio

- **¿Qué explicamos en el Observatorio Vodafone de la Empresa?**

Es un espacio dedicado a conversar con empresarios y cargos públicos que manifiestan problemas reales, y exponemos esas inquietudes a los mejores expertos del mundo.

Juntos, unos y otros analizan y comparten las grandes oportunidades de la revolución digital, los grandes avances que transforman ya sectores enteros.

Y, lo más tangible: hemos comenzado a hacer visible cómo las tecnologías más cercanas están haciendo que cada negocio (ya sea pequeño o grande) venda cada día más. Al mismo tiempo que estamos mostrando cómo gobiernos nacionales, regionales y locales, de España y de medio mundo, están atendiendo cada vez mejor a sus ciudadanos y con menores costes

- **Recopilación de informes, estudios y soluciones**

En la que algunos han llamado 'la era del dato', el conocimiento ya no se sustenta en opiniones de expertos ni en la simple observación, sino en las conclusiones que arrojan estudios, informes, estadísticas y cifras de negocio y operaciones. Este es un repositorio que recopila todos esos datos que orientan hoy a empresas de todo tamaño y sector para transformarse y crecer.

Tienes a tu disposición todos los informes y datos en [vodafone.es/observatorio-informes](http://vodafone.es/observatorio-informes)
